Art IS Education – Creating a Better Future Together

The month of March, Alameda County Library joins with the Alameda County Alliance for Arts to showcase the importance of the arts.

Saturday, March 3 join teaching artist Marion Coleman, who will work with us to create a paper quilt on the theme of creating a better future together. Families can drop in any time between 1:00 and 3:00 PM and

design a paper quilt square. The finished quilt will be displayed in the Library for the month of March.

National Library Week

April 8 - 14

This year the Library celebrates *you* with the theme, **You Belong** @ **Your Library**.

GET SNAPPED: all week the library will be taking pictures of library users and posting them on our facebook page. People are invited to also get their picture taken with their favorite book! Help us make a community collage of all the

wonderful people that are the Dublin Library.

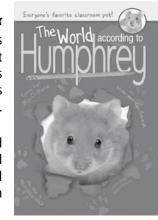

Children's Book Week: May 6 – 12 My Family Reads: The World According to

Humphrey

A Program for Children's Book Week

Humphrey, a golden hamster who lives in Room 26, has an almost perfect life filled with classroom adventures and weekend sleepovers with his classmates. If only the teacher, Mrs. Brisbane, wasn't out to get him!

Parents, grandparents, caregivers and their children ages 7-11, are invited to join us in reading this delightful book together and sharing some fun activities. **Sign ups start April 16**.

The kickoff event is Monday, April 23. Hear librarians read aloud from the first chapter of the book and get a tiny notebook like Humphrey's to take home. Copies of the book will be available to check out.

Monday May 7, participating families will meet again for snacks, crafts, and sharing, all centered on Humphrey the hamster! Space is limited to 30 families.
